

Proposed new bus shelter at the junction of North Wingfield Road and Norfolk Avenue

Following representations from local residents, the Parish Council is looking to provide a new bus shelter on the north side of the junction of North Wingfield Road and Norfolk Avenue. The exact location of the shelter will need to be agreed with Derbyshire County Council as highway authority and they will hopefully also provide 50% of the funding of the new shelter. The shelter would be a modern two-bay cantilever style shelter.

To access this funding from the County Council, the Parish Council needs to be able to demonstrate that it has consulted the local residents and the wider community about the proposal. The Parish Council think that the shelter would be very much welcomed as it would serve one of the busier stops in the village. If you have any comments on the proposal, please contact the Parish Clerk by letter to 114 The Green, Hasland, Chesterfield S41 0JU or by email at grassmoor.pc@sky.com . The closing date is 30 June 2019.
