2050. BARNES PARK PROJECT

The Clerk reported that the Parish Council had been successful in obtaining additional grant funding from Viridor in the sum of £38,026.72 which meant that the short-fall in funding for the refurbishment works in Barnes Park had been resolved. He had applied to the County Council's Health Priority Fund for the balance of the Third Party Contribution.

The Clerk and Responsible Financial Officer would be arranging a meeting with the Derbyshire Association of Local Councils to discuss taking out a Public Works Loans Board loan in the sum of £81,000. Formal approval was sought to apply for the loan.

The Clerk reminded the Parish Council that in order to fulfil the requirements of the funding bid to Viridor, detailed quotations had been sought from 5 companies. The result of this process was that Hags SMP had submitted the lowest quote for the works in the sum of £181,000 in October 2013.

The Clerk proposed to proceed to place an order based on the quote of £181,000 as to seek new tenders for the works would delay the project further and would also jeopardise access to £8,750 of Section 106 funding which had to be utilised by 14 August 2014. It was proposed therefore, that Standing Orders in Relation to Contracts be waived in order to allow an order for the works to refurbish the Park to be placed with Hags SMP. The Clerk had consulted the Parish Council's Internal Auditor who had confirmed he was happy for the Council to follow this course of action.

It was reported that the District Council had approached the Parish Council regarding proposed works on the former Avenue site which could be complimentary to the possible project with the County Council on the Country Park. The District Council had been invited to the May meeting to discuss the proposals in more detail.

RESOLVED that (a) the report be noted;
(b) the Clerk and Responsible Financial Officer be authorised to arrange a loan with the Public Works Loans Board in the sum of £81,000 over a minimum period of 25 years; and
(c) Standing Orders in Relation to Contracts be waived in order to allow for an order to be placed with Hags SMP for the refurbishment works in Barnes Park at a total project cost of £181,000.

2051. HANGING BASKETS

The Clerk reported that all the lamp columns tested had past the safety test. A formal application to erect the hanging baskets would be submitted to the County Council in the near future.

RESOLVED that the report be noted.

2052. BUS SHELTER

The Clerk reported that a Stagecoach bus had run in to the Parish Council's bus shelter on North Wingfield Road opposite the junction with Chapel Road and damaged it beyond repair. Stagecoach had admitted full liability and the Clerk was in the process of arranging for the shelter to be replaced.

RESOLVED that the report be noted.

The Clerk reported that he had been approached by Morton Parish Council to see if the Parish Council would be interested in jointly funding the purchasing and maintaining a speed camera along with other Councils in the District. The Parish Council would not commit to the project at this stage but asked to be kept apprised of interest from other Parish Councils.
